HACKATHON

BASIC terms and conditions

Here are some basic terms and conditions for those attending the hackathon.

1. The contest is open to all attendees of the FME User Conference.
2. Projects can be entered into one of four themes (categories).
3. Projects will be shared with other conference attendees, for the purpose of voting for hackathon winners.
4. There will be a single winner - and single prize - for each theme.
5. We will ask your permission before posting the project (or a description of it) on social media or in a blog post.
6. DO NOT... hack into the VCC internet service or any other public/private systems!
This contest is about ethical hacking only, please.
